CONTRIBUTE TO SUPPORT OUR ORGANIZATION

Karina Fofanah Kankele (KFK) is organized for charitable, religious and educational counselling, provide appropriate opportunities for empowerment of women and youths, promote agricultural awareness in the community and the rural areas and cultural activities, promote the culture of awareness, compassion and responsibility to reinforce our identity in the society and take measures against abusers of human rights.

OBJECTIVES:

To provide social and Economic schemes that will lead to highlight the self-esteem of the Community with knowledge of livelihood skills to cope with everyday life challenges:

- Assist and support Young kids in the community with their education.

- Help the communities in need, orphans, teen mothers and disabled people.

- Collaborate with local charitable organizations to assist communities during disasters.

- Sensitize youths to the reality of social problems and protection of human rights.

- Dig wells in communities to provide them with pure drinking water.

- Provide school supplies for poor children, and public schools.

- In 2020 we commenced building Multi-purpose Community Complex in an area of two and half acres with the following facilities;

- Welding shop, carpentry shop, tailoring shop, gara tie dying shop and showroom.

- Toilets accessible for disable, canteen, 2 bedroom apartment and playground for kids.

- Adjacent room for prayers, library and office for consultation.
